

INTERACTION
Empowering People

Service Access Policy

Everyone has the right to fair and equal access to services

Interaction works with other organisations to get great outcomes for people

Interaction will provide services that are written in your NDIS Plan

Interaction will assist people to find the services they need for a good life

Interaction will work within your individual and cultural needs

Approved by: _____

Page 1 of 8

Interaction will respond to referrals in a timely manner

Interaction will seek feedback from you about whether it was easy or hard to access our services

Information about Interaction can be found in a few different ways

Service information includes what the staff do, what NDIS supports Interaction provides and how you can access the service

Staff will talk with you to see if you have any problems accessing Interaction and if there is anything we can do to fix it

Approved by: _____

Page 2 of 8

Interaction will let people know what services it provides through its website, social media and talking at community groups

Staff will respond quickly if you would like information about services

Anyone is welcome to visit Interaction's head office to see how we can help

Staff will make sure they respect people's cultural needs when accessing services

Access to accommodation services occurs when a vacancy exists in a group home.

Version 2

Referrals can be received via phone, face to face or electronically however must have the OK of the person being referred

Staff will find out which NDIS Supports the person is seeking, whether the individual being referred has a current NDIS Plan and whether further information is required

If Interaction can help, a Referral Form is filled out

The referral form will be discussed at an intake meeting and allocated to relevant staff to follow up within 5 working days

If Interaction can't help, staff will:

- Let you know why

Version 2

- Give other options to help you

- Let you know how Interaction might help you in the future

All referrals are logged on a central register

You will have an assessment with staff before you will receive any services. They will ask about your NDIS goals and how we can help you.
